

TOWN OF MALDEN
MAY 18, 2021 SPECIAL MEETING MINUTES

Mayor Harwood announced that the only item on the agenda was the testing and debris removal of several properties in town. The question is what happens if properties aren't cleaned up? Ty Watts is on contract with Dept of Emergency to assist in obtaining DOE forms. He is contacting people.

Scott H. stated that 15-16 property owners have been nonresponsive.

Lori D. asked if they as a council can go in and clean up the properties.

Mayor Dan-That is one of the options. There are those who are going to clean up their own properties. The question is what is the deadline? This is an issue of public health and safety to the residents.

Scott H mentioned that this deadline be discussed at the next meeting.

Janell T. stated that everyone is exposed to the asbestos as the ground and air is so dry. Possibly there should be a fine for noncompliance. Janell thanked the council for putting themselves out there for ridicule etc, for how they are handling this issue. She asked for support from the residents.

Meeting adjourned at approximately 7:25pm.
